

CLIC, Libro 6, Maestro (Spanish Edition)

Es importante reconocer que el ministerio de enseñanza para adolescentes y jóvenes es un trabajo muy serio; mas si entendemos que es en esta etapa donde tomaran decisiones que afectaran el resto de sus vidas. Muchas de las personas que nos rodean tomaron la decision acerca de la profesion que estudiarian y ejercerian, con quien se casarian, en que iglesia se congregarian y donde servirian, durante esta etapa. Considere cuantos de los miembros de nuestras iglesias tomaron sus decisiones espirituales mas importantes en la adolescencia o juventud. El hecho que usted o su iglesia hayan adquirido Clic para enseñar muestra la importancia que estan dando a la formacion de la vida cristiana de los adolescentes y jóvenes. Todas las lecciones de este libro estan basadas en las Sagradas Escrituras, preparadas y escritas por un equipo internacional de pastores y lideres juveniles. Deseamos que tanto usted como maestro o maestra como sus alumnos disfruten de esta maravillosa experiencia que es la enseñanza y el aprendizaje. Clic 6 cuenta con ocho unidades que abarcan 52 lecciones en total, para ser utilizadas durante todo un año. Cada unidad no tiene el mismo número de lecciones, pues varia de acuerdo al objetivo y tema de cada una de ellas. Cada edad tiene sus características, por eso Clic se ha diseñado para enseñar adolescentes de 12 a 17 años y jóvenes de 18 a 23 años, de manera mas efectiva. Las lecciones biblicas son iguales para los dos grupos, pero las dinamicas introductorias y las actividades para el alumno son diferentes. Usted puede adaptarlas de acuerdo a las necesidades y facilidades que tenga su iglesia local o el lugar donde se reúnan. En cada lección, usted, encontrara las siguientes secciones: El Objetivo de la lección. Que es lo que se espera cumplir o alcanzar al finalizar la misma. La sección Conectate, que es la introducción al tema. Aquí se encuentra la Dinamica introductoria para cada edad. La

sección 'A Navegar!', es el desarrollo de la lección. La sección Descargas es donde se encuentra la actividad práctica para cada grupo de edad. En este libro usted tiene las respuestas a cada actividad. Estamos conscientes que a través de esta actividad, usted podrá realizar una retroalimentación y fijar el principio fundamental en la mente y corazón de sus alumnos y alumnas. Finalmente, usted encontrará al inicio y al final de cada lección, un recuadro con una Advertencia. La del inicio le ayudará a dar seguimiento a la sección 'Vamos al chat!' Presentada en la lección anterior. La Advertencia del final le recordará trabajar con la sección 'Vamos al chat!' de la siguiente lección, que aparece en las hojas de trabajo del alumno. Call My Journey...LifeSports, movies, family, kids, marriage, health, lifeWednesday, November 28, 2012Quick updateThe last time I posted a lot has changed. So for a quick update, my husband got a new job. As soon as we got an offer on our house we accepted we accepted it. We found a house to live in and put an offer on the table and after a little negotiation we came to an acceptable and agreeable offer. After a very painful moving process, which lasted 33 days after the original closing date we finally closed.I quit my part time teaching job. Now I get to stay at home with Roarie and substitute teach every now and then.Posted by Mrs. Stacie Christner at 8:13 AM Reactions: 75 comments: Friday, April 27, 2012Education CutsOne of the most important things in life is to have a good education. Teaching is the only occupation that shapes our country. We teachers touch every life from the farmer to the lawyer, to the CEO of some big company. Granted you may not use everything that learn in the classroom but the structure, respect, responsibility, social skills and time management are life skills that are used everyday.The frustrating thing about being a teacher is the lack of money put into education. I am not complaining about how much money I make because teachers do not go into teaching. What I am complaining about is teachers getting cut, class sizes are getting bigger, and yet we still get the same pay. The schools who have the money have the money get the technology and the good test scores. The better the test scores the more money you get. So if you a poor school you don't get the technology and yet you don't get any money for the low test scores. So the rich get richer and the poor get poor.Needless to say, I have gotten word from the school superintendent that my special education position is being cut. I am still going to have a teaching job being a part time American History teacher. Which I am glad that I am getting into the general education setting and that I get to be a part time stay-at-home mom but at the same time I wish I had a full time, paying job.Posted by Mrs. Stacie Christner at

Grades six through eight take a field trip to a designed location and practice using good dining manners. So on Friday, April 13, 2012, we went some where local, the Colfax Historical Building for our dining. Before we go to on our trip the staff reviews what it is to have good manners. There are so many manners to cover and sometime we just assume that it will happen but it doesn't. Here are a few manners that we covered: Appearance- The students were to Shower, which as middle school students it is a challenge for some, and use soap Fix hair up nice Wear dress clothes- dresses, dress pants, dress shirt Wear minimal make-up Wear minimal perfume or cologne Table Setting- Silverware start on the outside and work your way in and the fork at the top of plate is the desert fork The drink is off to your left Waiting for others- Wait for everyone to arrive to your table before seating yourself Wait for everyone to get their food before you begin eating Table Talk- Speak softly to the people at your table Do not interrupt Do not talk about bodily functions (farts, pooping, etc.) Say "Please", "Thank you.", "You're welcome.", "Pardon me" Some things we took for granted and expected the students to know were: Keep elbows off the table Keep elbows as close to your sides as possible when eating Keep hands to your self (which is hard to do for middle school students) Listen to speaker (which is hard to do in the classroom too) Pass dinner rolls and salad dressing all around the table Posted by Mrs. Stacie Christner at 4:57 PM Reactions: 18 comments: Labels: education, Teacher Advice Monday, April 9, 2012 Roarie Meets her Cousins Roarie is 7 weeks old and finally got to meet half of her cousins yesterday at Easter. 18 comments: Labels: personal Older Posts Home Subscribe to: Posts (Atom) About Me Mrs. Stacie Christner I am a second year Special Education teacher at Colfax-Mingo Middle school.
