

Der chinesisch-amerikanische Roman und seine Schlüsselthemen: Geschichtserfahrung, Gegenwartsdeutung und Zukunftserwartung (Europäische ... Universitaires Europeennes) (German Edition)

Die Arbeit zeigt, wie chinesisch-amerikanische Romanautoren durch einen besonderen Umgang mit den Themenfeldern Geschichte und Fortschritt gleichzeitig gegen zwei gegensätzliche Stereotype vorgehen: das der model minority und das der passiven Opfergestalten. Maxine Hong Kingston, Frank Chin, Shawn Wong, Fae Myenne Ng, David Wong Louie, Sigrid Nunez und Alvin Lu präsentieren Geschichte zwar als schmerzhaft, als das, was zu betrauern ist, aber zugleich auch als Waffe, als das, was chinesische Amerikaner aktiv für ihre Zwecke benutzen. Die Gegenwart wiederum erscheint stets als Krise und als Verweis auf eine goldene Zukunft, die es vorzubereiten gilt. Theoretische Bezugspunkte für die Untersuchung dieser charakteristischen Verknüpfung von Klage und Optimismus sind vor allem Walter Benjamins geschichtsphilosophische Thesen und die amerikanische Ausdrucksform der Jeremiade.

Call My Journey...LifeSports, movies, family, kids, marriage, health, lifeWednesday, November 28, 2012Quick updateThe last time I posted a lot has changed. So for a quick update, my husband got a new job. As soon as we got an offer on our house we accepted we accepted it. We found a house to live in and put an offer on the table and after a little negotiation we came to an acceptable and agreeable offer. After a very painful moving process, which lasted 33 days after the original closing date we finally closed. I quit my part time teaching job. Now I get to stay at home with Roarie and substitute teach every now and then. Teaching is the only occupation that shapes our country. We teachers touch every life from the farmer to the lawyer, to the CEO of some big company. Granted you may not use everything that you learn in the classroom but the structure, respect, responsibility, social skills and time management are life skills that are used everyday. The frustrating thing about being a teacher is the lack of money put into education. I am not complaining about how much money I make because teachers do not go into teaching. What I am complaining about is teachers getting cut, class sizes are getting bigger, and yet we still get the same pay. The schools who have the money have the money get the technology and the good test scores. The better the test scores the more money you get. So if you are a poor school you don't get the technology and yet you don't get any money for the low test scores. So the rich get richer and the poor get poor. Needless to say, I have gotten word from the school superintendent that my special education position is being cut. I am still going to have a teaching job being a part time American History teacher. Which I am glad that I am getting into the general education setting and that I get to be a part time stay-at-home mom but at the same time I wish I had a full time, paying job. Grades six through eight take a field trip to a designed location and practice using good dining manners. So on Friday, April 13, 2012, we went some where local, the Colfax Historical Building for our dining. Before we go to on our trip the staff reviews what it is to have good manners. There are so many
