

Live the Life Within

Poem by Keith Allan Brown
Walking with GOD
When you walk with GOD, you walk on air,
When you walk with GOD, you don't have a care,
When you walk with GOD, the path is straight,
When you walk with GOD, trust in HIM not fate.
When you walk with GOD, there's nothing to fear,
When you walk with GOD, HE'll keep you near,
When you walk with GOD, You'll feed from above,
When you walk with GOD, You're filled with love.
When you walk with GOD, the way is clear,
When you walk with GOD, you won't shed a tear,
When you walk with GOD, your worries will cease,
When you walk with GOD, you'll be at peace.
When you walk with GOD, you're never late,
When you walk with GOD, HE opens the gate,
When you walk with GOD, HE frees your mind,
When you walk with GOD, Happiness you'll find.
When you walk with GOD, you're free of worry,
When you walk with GOD, there's no need to hurry,
When you walk with GOD, in HIS good time,
When you walk with GOD, all from HIM are mine.
After reading this book, listening to the music and lyrics of the 20 songs on the two CD's and reading the 20 Poems you may just be about to find out, as Ragnhild Anita and John from Norway did, that you can be in control of your inner life. We all have lessons to learn and Ragnhild Anita and John confirmed this to me by way of some comments they gave me shortly after reading some pre-published text and listening to the songs. Their comments, I think describe their thought process in just three stages of understanding. The first was one of uncertainty in that they said The Inner Life seemed too good to be true; their second stage process was one of possibility in that they said If it is possible to Live The Life Within then it must be a miracle; their third and final conclusion was one of acknowledgement in that they said To Live The Life Within you must to go away from noise, worries and concerns and dare to be

alone and listen to your inner voice. Pray to GOD that he will show you the way.

Call My Journey...LifeSports, movies, family, kids, marriage, health, lifeWednesday, November 28, 2012Quick updateThe last time I posted a lot has changed. So for a quick update, my husband got a new job. As soon as we got an offer on our house we accepted we accepted it. We found a house to live in and put an offer on the table and after a little negotiation we can to an acceptable and agreeable offer. After a very painful moving process, which lasted 33 day after the original closing date we finally closed.I quit my part time teaching job. Now I get to stay at home with Roarie and substitute teach every now and then.Posted by Mrs. Stacie Christner at 8:13 AM Reactions: 75 comments: Friday, April 27, 2012Education CutsOne of the most important things in life is to have a good education. Teaching is the only occupation that shapes our country. We teachers touch every life from the farmer to the lawyer, to the CEO of some big company. Granted you may not use everything that learn in the classroom but the structure, respect, responsibility, social skills and time management are life skills that are used everyday.The frustrating thing about being a teacher is the lack of money put into education. I am not complaining about how much money I make because teachers do not go into teaching. What I am complaining about is teachers getting cut, class sizes are getting bigger, and yet we still get the same pay. The schools who have the money have the money get the technology and the good test scores. The better the test scores the more money you get. So if you a poor school you don't get the technology and yet you don't get any money for the low test scores. So the rich get richer and the poor get poor.Needless to say, I have gotten word from the school superintendent that my special education position is being cut. I am still going to have a teaching job being a part time American History teacher. Which I am glad that I am getting into the general education setting and that I get to be a part time stay-at-home mom but at the same time I wish I had a full time, paying job.Posted by Mrs. Stacie Christner at 7:39 PM Reactions: 24 comments: Sunday, April 15, 2012Manners Meal Every year, the Colfax-Mingo Middle School does what they call manners meal. Grades six through eight take a field trip to a designed location and practice using good dining manners. So on Friday, April 13, 2012, we went some where local, the Colfax Historical Building for our dining. Before we go to on our trip the staff reviews what it is to have good manners. There are so many manners to cover and sometime we just assume that it will happen but it doesn't. Here are a few manners that we covered: Appearance- The students were to Shower, which as middle school students it is a challenge for some, and use soapFix hair up niceWear dress clothes- dresses, dress pants, dress shirtWear minimal make-upWear minimal perfume or cologneTable Setting-Silverware start on the outside and work your way in and the fork at the top of plate is the desert forkThe drink is off to your leftWaiting for others-Wait for everyone to arrive to your table before seating yourselfWait for everyone to get their food before you begin eatingTable Talk-Speak softly to the people at your tableDo not interruptDo not talk about bodily functions (farts, pooping, etc.)Say "Please", "Thank you.", "You're

welcome." , "Pardon me" Some things we took for granted and expected the students to know were:Keep elbows off the tableKeep elbows as close to your sides as possible when eatingKeep hands to your self (which is hard to do for middle school students)Listen to speaker (which is hard to do in the classroom too)Pass dinner rolls and salad dressing all around the tablePosted by Mrs. Stacie Christner at 4:57 PM Reactions: 18 comments: Labels: education, Teacher AdviceMonday, April 9, 2012Roarie Meets her CousinsRoarie is 7 weeks old and finally got to meet half of her cousins yesterday at Easter. 18 comments: Labels: personalOlder Posts HomeSubscribe to: Posts (Atom) About MeMrs. Stacie ChristnerI am a second year Special Education teacher at Colfax-Mingo Middle school.
