

REVEL for Texts and Contexts: Writing About Literature with Critical Theory -- Access Card (7th Edition)

By considering how adept readers behave and what assumptions they might make while interacting with literary text, REVEL for Texts and Contexts: Writing About Literature with Critical Theory teaches students the challenging art of writing about literature. The Seventh Edition provides overviews of literature and how to write about it, as well as critical and literary theory with examples throughout. Students will learn versatile strategies in reading, writing, interpreting data, and constructing arguments that can be applied to virtually any field. REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience for less than the cost of a traditional textbook. NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.

Call My Journey...LifeSports, movies, family, kids, marriage, health, lifeWednesday, November 28, 2012Quick updateThe last time I posted a lot has changed. So for a quick update, my husband got a new job. As soon as we got an offer on our house we accepted we accepted it. We found a house to live in and put an offer on the table and after a little negotiation we came to an acceptable and agreeable offer. After a very painful moving process, which lasted 33 days after the original closing date we finally closed. I quit my part-time teaching job. Now I get to stay at home with Roarie and substitute teach every now and then. Teaching is the only occupation that shapes our country. We teachers touch every life from the farmer to the lawyer, to the CEO of some big company. Granted you may not use everything that you learn in the classroom but the structure, respect, responsibility, social skills and time management are life skills that are used everyday. The frustrating thing about being a teacher is the lack of money put into education. I am not complaining about how much money I make because teachers do not go into teaching. What I am complaining about is teachers getting cut, class sizes are getting bigger, and yet we still get the same pay. The schools who have the money have the money get the technology and the good test scores. The better the test scores the more money you get. So if you are a poor school you don't get the technology and yet you don't get any money for the low test scores. So the rich get richer and the poor get poor. Needless to say, I have gotten word from the school superintendent that my special education position is being cut. I am still going to have a teaching job being a part

time American History teacher. Which I am glad that I am getting into the general education setting and that I get to be a part time stay-at-home mom but at the same time I wish I had a full time, paying job. Posted by Mrs. Stacie Christner at 7:39 PM Reactions: 24 comments: Sunday, April 15, 2012

Manners Meal Every year, the Colfax-Mingo Middle School does what they call manners meal. Grades six through eight take a field trip to a designed location and practice using good dining manners. So on Friday, April 13, 2012, we went some where local, the Colfax Historical Building for our dining. Before we go on our trip the staff reviews what it is to have good manners. There are so many manners to cover and sometime we just assume that it will happen but it doesn't. Here are a few manners that we covered:

- Appearance- The students were to Shower, which as middle school students it is a challenge for some, and use soap
- Fix hair up nice
- Wear dress clothes- dresses, dress pants, dress shirt
- Wear minimal make-up
- Wear minimal perfume or cologne
- Table Setting-Silverware start on the outside and work your way in and the fork at the top of plate is the desert fork
- The drink is off to your left
- Waiting for others- Wait for everyone to arrive to your table before seating yourself
- Wait for everyone to get their food before you begin eating
- Table Talk-Speak softly to the people at your table
- Do not interrupt
- Do not talk about bodily functions (farts, pooping, etc.)
- Say "Please", "Thank you.", "You're welcome.", "Pardon me"

Some things we took for granted and expected the students to know were:

- Keep elbows off the table
- Keep elbows as close to your sides as possible when eating
- Keep hands to your self (which is hard to do for middle school students)
- Listen to speaker (which is hard to do in the classroom too)
- Pass dinner rolls and salad dressing all around the table
